David –

Your email is timely because I was just looking at this matter for correction. In the March 16, 2022 letter, the September 30, 2021 date should have been stated as December 31, 2021. I simply failed to update the September 30 date to December 31 in my cover letter. The report attached to the March 16 letter is the correct report. If you need me to file a letter explaining the error, please let me know, and I'll be happy to do so.

Chad

To Chad Burgess, Esquire:

Chad:

We are in receipt of your letter of March 16, 2022 which references the Company's capital expenditure report for the quarter ended September 30, 2021. However, the Report itself appears to reference the fourth quarter of 2021. Could you please help us resolve the difference between the two references?

Thanks,

David Butler
